**From the Webmaster:** Please submit items for web page. Include pictures of all our members. Please send names of driver, passengers, horse(s), and description of what you are doing, and where.

**REZ Message:** Hello fellow driving enthusiasts,

I just got back from attending Midwest Carriage Festival and man was it an amazing weekend! Lily and I were supposed to attend as competitors but she ended up with stitches and 2 weeks off. (No Lily, you don't wear a bucket on that leg...) There were many Hub Club faces volunteering, competing and organizing the show. Thank you everyone for working so diligently to put on a safe and successful first local ADS show of the year!

Next up in the show world is Notara. They will be holding a CT this year on July 4<sup>th</sup> with marathon schooling after the CT. It's going to

be an amazing day with amazing people. Plan on bringing your own food and drinks, with the COVID precautions there will not be food on site.

**SAVE THE DATE:** July 25<sup>th</sup> is FVSA's Day of Driving. Get your entries to Mike Chuman. It's going to be a fun day with a driving derby in the morning and driving games in the afternoon!

We are still trying to solidify a space for a social event and meeting in July. Please stay tuned for an email blast once the officers find a day and location. Any ideas please email me!

I look forward to seeing all of you in the near future, **Krista**

# 2020 DRIVING

**July 4 Notara Farm HDT (Verona, WI)** We will have a combined test consisting to dressage and cones in the morning and a marathon phase in the afternoon that will not be scored - more of a schooling exercise that you might time yourself. # Villa Louis Carriage Classic to Host CAA Carriage Showcase

## Carriage Showcase FAQs

### **Q1. What is the Carriage Association of America Carriage Showcase?**

**A1.** The Carriage Showcase is an annual tradition hosted by the Carriage Association of (CAA). Both antique and reproduction vehicles are exhibited in the showcase and evaluations are performed by a group of experienced restorers and evaluators. The evaluators inspect each vehicle and give an incredibly detailed description including their assessments of the quality and workmanship of the paint or stain; colors; trim; mechanical soundness; correctness of all vehicle parts (e.g. hitching pieces and lamps); correctness of all vehicle hardware (e.g. screws, nuts, hinges, and beading); and overall impression. Categories of judging include original and conserved vehicles along with antique vehicles “in use” and both amateur and professionally restored antique vehicles “on display” along with miniatures and reproduction vehicles as well.

### **Q2. Are there prizes associated with showcase?**

**A2.** There are several awards given during the judging including certificates of merit for restorations garnering certain scoring benchmarks (honorable mention, bronze, silver, and gold certificates). Trophies are awarded for best documentation of the restoration, highest scoring restoration and a popular “People’s Choice” award, which is voted on by the audience members.

### **Q3. Do I have to be a member of the Carriage Association of America (CAA) to enter a vehicle in the showcase?**

**A3.** It is preferred that people exhibiting vehicles in the Carriage Showcase are members of the CAA, but it is not mandatory. Membership in the organization provides educational opportunities like the annual showcase and many other recreational and educational benefits. Membership also provides excellent networking opportunities to meet fellow carriage enthusiasts and exchange restoration ideas, tips, and strategies.

### **Q4. A two-part question, can I bring a vehicle that I intend to use in the Villa Louis Carriage Classic? And secondly, can I bring a vehicle to the showcase even if I do not intend to show in the Villa Louis Carriage Classic?**

**A4.** The answer to both questions is a resounding, “YES” – you may have vehicles in the carriage showcase that you are using in the Villa Louis Carriage Classic; a showcase tent is planned near the stabling area and the spectator area to allow guests to see the showcase and allow vehicles to be displayed when not in use for the show. Likewise, people that do not have equine entered in the show are also welcomed to bring vehicles for display and judging in the showcase.

### **Q5. What is the process of judging and providing feedback on the evaluations?**

**A5.** The evaluations will be done by the CAA evaluators and then a public commentary is given where details and unique features of each vehicle are discussed. This commentary is very insightful for people as it gives understanding to the placings of each vehicle. Participants in the carriage showcase can opt-out of the public commentary if they would wish to have the judge’s evaluations not shared with the public.

# Newman

June 6, 2001 – June 18, 2020

## Newman: June 6, 2001 – June 18, 2020

Thu, Jun 18, 2020 2:16 pm

Lydia Gray lydiagraydvm@gmail.com

Dear Family, Friends, and Colleagues,

If you're getting this message, it's either because you are dear to me or you are dear to my beloved horse, Newman.

Many people have been a part of our lives since he walked into mine August of 2005, not quite 15 years ago. With all his issues, it took more than a village to maintain Newman – it took a major metropolitan city! Although physically he could not always be counted on, mentally he was a superstar. Dressage, driving, jumping, sidesaddle, trail riding . . . you name it and he was up for it! The next discipline on our radar was going to be Working Equitation and I'm sure he would have loved it if only we'd had the chance.

Not a big fan of hugging (just like his owner), the way to his heart was a "spa day" and a prune.

As I head out the door to the barn to see him one last time before we lay him to a well-deserved rest this afternoon in his pasture, thank you for the role you played in the life & times of "Newmiepool" aka

"Newmiepoopasaurus." *Lydia Gray*

### NEWS USEF Driven Dressage Test Announcement

From the US Equestrian Communications Department June 19, 2020

**Lexington, Ky.** - US Equestrian announces the publication of [USEF Driven Dressage Tests](#) for the Training, Preliminary, and Intermediate levels of Combined Driving events. Beginning September 1, 2020, these tests will be available as an option for organizers to use at USEF licensed Combined Driving competitions.

The Driving Sport Committee, which guides the sport of Combined Driving at US Equestrian, have made the drafting, evaluation, and approval of these tests a priority for 2020. Their contributions, along with feedback from judges and trainers, shaped this project. The goal was to create a progression of movements throughout the levels that ultimately connects to the skills and abilities required of the horses/ponies and the driver when they progress to the FEI level. Further materials such as arena illustrations and instructional tutorials for each level will follow this summer. Be sure to subscribe to email updates on your US Equestrian member dashboard to receive the USA Driving Newsletter.

Currently, these tests will only apply to CDE competitions. The Carriage Pleasure Committee, that oversees pleasure driving within US Equestrian, will outline their future options for driven dressage classes held at carriage pleasure driving competitions.

**EDITOR'S NOTE:** I will be posting one of the new USEF tests each month here for the next four months. Training Test 1 this issue.....

## *I Had The Best Seat in the House at the Midwest Carriage Festival*

By Lydia Gray

Technical Delegate (TD) Michele Harn, Organizer Myrna Rhinehart, and Secretary Rachel Meek did an amazing job putting on this year's Midwest Carriage Festival June 18, 19, and 20 at the Walworth County Fairgrounds in Elkhorn, WI. While COVID-19 may have caused some social events to be cancelled and made for some . . . interesting photographs of the multiples, it did not prevent a successful combined test (CT) on Friday followed by a pleasure show on the weekend with two days of ring classes and field classes (cones).

Actually, I had a "pretty good" seat, but maybe not the BEST seat, as that award may have gone to Jerry Rozeboom with his beautiful turnout being evaluated here by judge Terry Pickett:

My volunteer position on Friday was as dressage scribe for judge Mary Ruth Marks for the CT. With this front row seat I could tell there were a few bobbles, but most competitors demonstrated the new dressage tests accurately, going on to negotiate the cones course judged by Jennifer Thompson with precision.

On Saturday, cones judge Joe Yoder had to deal with me as his scribe and Terri Delke as his timer. I'm not sure who had

the most technically difficult job, as the morning class was Fault and Out, which tripped up a few entries who maybe hadn't studied the rules. Then in the afternoon we moved to Reverse Psychology, which can also be a bit of a head trip. Instead of stopwatches, Chad Rhinehart had set up actual timers across the start line which fed to boxes that Terri managed and a hanging display for all to see. There was a "horn" button that she may have had a little too much fun with.

During our lunch break, we were able to take in a few of the pleasure ring classes, aptly announced by Mike Ryder and photographed by Bob Mishka. In the Gentlemen Driving class, George Dickerson, Eric Smith, and Kirby Metoxen (right to left) made a classy line-up:

There was good weather (mostly) and high spirits at one of the only ADS-recognized driving shows in the country. Congratulations to the competitors for coming out, the volunteers were helping out, and the organizers for putting the word out!
